

Locum Veterinary Ophthalmologist opportunity in Australia!

Are you looking for the next adventure? Are you ready to explore the idyllic beaches and unique lifestyle that only Perth can offer? Are you ready to join a passionate & dedicated team, focused on patient welfare and leading specialist care?

We want to hear from you!

Perth Animal Eye Hospital is looking for an experienced Veterinary Ophthalmologist or Ophthalmology Practitioner for a locum position in the heart of Perth.

As the only specialised veterinary ophthalmology practice in Western Australia established by Dr Martyn King, Perth Animal Eye Hospital has a strong primary care referral base. There is a large and varied number of medical and surgical cases, excellent facilities, and an established and experienced support team of nurses.

There is a strong possibility to join the team for a longer period (e.g. 3 years or more) if mutually suitable.

The Benefits:

- Opportunity to join and be supported by an established and highly experienced team of ophthalmologists and nurses working to ensure the highest level of patient care.
- Access to a large and diverse medical and surgical caseload with the latest technology and equipment to support.
- Flexibility in roster and shared caseload
- Support with visa application, Australian Veterinary Registration. We will provide you with tailored support package to suit your situation.
- Attractive remuneration package
- Opportunity to explore the East coast of Australia with a secondary locum stint in the leafy suburbs of Melbourne.
- Benefits of the unique Perth lifestyle – think beaches, wine country and Quokkas!

About you:

- Passionate and dedicated to providing leading specialised ophthalmology care.
- Strong communication skills with the ability to maintain positive relationships with general practice referral clinics and clients alike.
- Qualification in Veterinary Science from an accredited institution and eligible to be registered in Western Australia
- Ideally a Veterinary Ophthalmology Specialist Qualification recognised in Western Australia, but other Certificate Level qualified applicants are encouraged to apply.
- A desire for adventure and ready to explore the benefits of working in one of the leading specialised Ophthalmology hospitals in Australia
