

POSITION IN VETERINARY OPHTHALMOLOGY RESIDENCY

1. OBJECT

The purpose of the position is to select a candidate to carry out a residency in the specialty of ophthalmology to obtain the Diploma from the European College of Veterinary Ophthalmologists. This residency will be developed under the guidance of Marta Leiva, Teresa Peña and Francisco Cantero (ECVO Diplomates). The residency program is officially accepted by ECVO.

2. DURATION

Three years, from September 1, 2023 to August 31, 2026

3. REQUIREMENTS

The candidate must meet the following requirements:

- a) Possession a DVM from a Spanish university, or any of the following:
 - be a veterinarian of the European Union with the approved title
 - be a non-EU veterinarian with an approved title and a work license
 - be a non-EU veterinarian with an approved title and nationality of an EU country
- b) Have completed a rotating internship at a reference veterinary hospital for a minimum period of one year. In exceptional cases, equivalent experience corresponding to a minimum of two years of professional experience in centers of proven scientific and professional quality will be accepted
- c) Be eligible to join the Col·legi Oficial de Veterinaris de Barcelona
- d) Be fluent in Catalan or Spanish and English for good oral and written communication

4. ENROLMENT WITHIN THE UAB

The residencies are a postgraduate program at the UAB. Residents must enroll during each of the three years of the program.

5. SALARY AND JOB DESCRIPTION

The first year, the resident will do a scholarship program at the HCV and will receive an economic aid of 955€ per month. This amount will be subject to a minimum retention of 2% tax in accordance with RD 0439/2007, of March 30; to the provisions of RD 1493/2011, of October 24, which regulates the conditions for inclusion in the general Social Security regime of people who participate in training programs, and to the 25th additional provision of RD 8 /2014, of July 4, approval of urgent measures for growth, competitiveness and efficiency.

The completion of this scholarship does not imply any type of employment relationship nor does it imply the provision of services by the student. The FHCV will process its registration in Social Security in accordance with the provisions of article 5 of Royal Decree 1493/2011, of October 24, assuming the duty of compliance with the obligations established by this regulation in terms of Social Security.

The second and third years, the resident will be hired with the professional category of "supervised veterinarian". The expected salary during this period will be that established in the national professional scale for veterinarians.
